("MB" and together with AG and IS, the "Italian Shareholders") inform that on the date hereof have entered into an amendment agreement with Telefónica S.A. ("TEF") with respect to the shareholders agreement concerning Telco S.p.A. ("Telco") for the purposes, among others, of the recapitalization and the refinancing of the company (the "Agreement").

The Agreement, which will be published in abstract in accordance with the applicable laws and will be deposited with the Companies Register, provides for:

1) a first phase, to be executed on the date hereof; and

2) a second phase, to be executed subject to the obtainment by TEF of all the authorizations of the competent telecommunication and antitrust authorities.

The expiration date of the shareholders agreement remains unchanged as of 28<sup>th</sup> February 2015.

**FIRST PHASE**

*A. Share capital increase of Telco S.p.A.*

On the date hereof, TEF will subscribe a share capital increase of Telco, for an overall amount of Euro 324 million, to be paid in cash, on the basis of an evaluation of the shareholding in Telecom Italia owned by Telco equal to Euro 1.09 per share. For the purposes of such share capital increase, the company will issue exclusively Class C share without voting rights, which may be converted by TEF – subject to the conditions indicated under paragraph D. below – in voting shares, belonging to the same class of shares already owned by TEF (Class B shares).

Telco will use the proceeds arising from the share capital increase in order to immediately reimburse, for the same amount, the financial debt that will be due in November 2013.

The outstanding bank debt of Telco will be entirely refinanced up to maximum Euro 700 million by Mediobanca and Intesa Sanpaolo in the same portion, through a new loan at market conditions. Following the entire subscription of the share capital increase by TEF, the share capital of Telco will be allocated as follows:

<b>Shareholders</b>	<b>% share capital</b>	<b>% voting share capital</b>
Generali Group	19.32%	30,6% represented by Class A shares

Mediobanca	7.34%	11,6% represented by Class A shares
TEF	66.00%	46,2% represented by Class B shares

Until the possible conversion of the non voting shares subscribed by TEF into voting shares, the governance rights of each of the parties will remain unchanged, as currently in force.

**B. Acquisition of a portion of the bonds owned by the shareholders**

Simultaneously with the execution of the share capital increase, TEF will purchase, at their par value, from the Italian Shareholders – pro quota – a portion of the bonds issued by Telco, therefore the quota of the bonds owned by TEF after the acquisition will be equal to 70% of the entire amount, while the remaining 30% will be allocated among AG (17%), IS (6,5%) and MB (6,5%).

2

The consideration will be represented by ordinary shares of TEF (owned by the same TEF), listed at the stock exchange of Madrid, with an evaluation of Euro 10.86 per share. Such shares will be transferrable on the market, within certain agreed daily limits and after the expiration of a lock-up period of 15 days.

#### E. Call Option
